

Cautions

Precautions and maintenance

- For indoor use only
- To avoid risk of fire or electric shock, do not expose the unit to moisture or condensation.
- To avoid overheating, do not block the ventilation holes on the back of the Digital Photo Frame.
- Keep the Digital Photo Frame out of direct sunlight.
- Always use the eject buttons on the memory storage card slots to remove the storage cards.
- Do not dismantle the Digital Photo Frame. There is a risk of electric shock and there are no user-serviceable parts inside. Dismantling the Digital Photo Frame will void your warranty.

Cleaning the LCD Screen

- Treat the screen carefully. Because the screen of the Digital Photo Frame is made of glass and it would easily be broken or scratched.
- If fingerprints or dust accumulate on the LCD screen, we recommend using a soft, non-abrasive cloth such as a camera lens cloth to clean the LCD screen.
- Moisten the cleaning cloth with the cleaning solution and apply the cloth to the screen.

WARNING:

Please power off the unit before inserting or removing a card or USB device.

Failure to do so may cause damage to the card/USB and the unit.

To reduce the risk of fire or electric shock, do not expose this appliance to rain or moisture.

Introduction:

Thank you for your purchase of the Digital Photo Frame. It is designed to allow quick and easy view of photos taken from your digital camera, mobile phone, or from a memory storage card. Please read this User Manual carefully to learn the correct way to use the Digital Photo Frame.

Features:

1. Support Picture format: JPEG.
2. Support audio formats: Mp3& WMA
3. Support video formats: MPEG1, MPEG2, MPEG4, AVI and M-JPEG
4. Support Memory card: SD/MS/MMC
5. USB connection: USB host
6. Support viewing pictures in thumbnail mode
7. Support auto Slideshow with background music
8. Auto Slideshow when insert Memory Card
9. Built-in 8M memory to store about 3pcs pictures
10. Image-display mode: slideshow, preview, zoom, rotate function.
11. Adjustable slideshow speed and various transition slideshow effects
12. Built-in Clock and calendar with slideshow & background music
13. Schedule auto on/off, copy & delete function
14. Adjustable brightness, contrast, saturation
15. Slideshow mode: single window, four windows and tripe windows.
16. OSD language: English

 - Response Time: 20ms
 - Viewing Angle: 60°(left/right/vertical), 40°(horizontal)
 - Working Temperature: 0℃~40℃, Humidity: 10-85%

10.Troubleshooting Guide

If you are having problems with your player, please consult both this guide and manual. If you need further assistance, please contact Technical Support.

- **No power:**
Please check whether the plug is inserted correctly.
- **Remote control no function:**
Please check whether the battery has power (the battery can be used for half a year in normal conditions). Replace with new battery if necessary.
- **Can not read the CARD or USB:**
Please confirm whether there is storage in the card or USB device.
Empty devices cannot be read.
- **Can not play the file:**
Please confirm if the file format is compatible with the player.
- **Display too bright or too dark:**
Please adjust the brightness or contrast in the setup menu.
- **The color is light or no color:**
Please adjust the color and contrast setup.
- **No sound:**
Please check whether the volume is correct and the player is not in Mute mode.
